PUBLIC SERVICE

Commenting on Lee Mingledorff's intention not to seek reelection as Mayor of Savannah, Georgia, Judd Arnett in his *Savannah Morning News* column of March 2, 1958, made some sage observations on public service which are worth wider distribution. After praising Mayor Mingledorff for having done "a sterling job under adverse conditions," the columnist continued:

"In politics, as in civic affairs in general, it is one thing to sit on the sidelines and carp and hoot, but it is something else again to offer your time, your energy and perhaps some of your hardearned pelf to the cause of public betterment.

"Getting away from politics for a minute, let us say that no matter where you go in America, there is always a 'hard core' of the civic-minded doing the bulk of the work which, in the long run, aids the public at large. It seems to be human nature for the majority of us citizens to 'let George do it,' and as a result a mere handful of stalwarts run themselves bowlegged in behalf of community welfare and advancement while the rest of us blandly permit the world around us to go hang.

"The worst of it, however, is that those who serve year in and year out in various capacities seldom receive public acclaim for their efforts. Some of the most unpopular men we have known were among those who did the most to aid their communities.

"What, then, prompts even the few to serve? Well, we are told that there is a good deal of personal satisfaction to be gained from making a community blossom, but chiefly the urge to be of benefit strikes either those who are in business, and thus being in hock up to their eyebrows must make the mare go or wind up in bankruptcy, or afflicts those who are in love with the communities where they have decided to spend the rest of their lives.

"In either case the reaction is the same. The faithful servants persevere and absorb the slings and arrows of criticism, or withstand the worst indictment of all—public apathy—because they know that no community stands still. It progresses or dies on the vine, and take your choice.

"It requires an endless number of proddings, coaxings, pleadings and alarm-rings to lead a community inch-by-inch along Progress Pike, especially when many of the people are dragging their feet. Fortunately, there are always men and women, the cream of our citizenry, who are willing to lead the way, even though they know in advance that they aren't likely to receive an ovation in the court house square for their efforts."

Town of Hooksett, New Hampshire

BOARD OF SELECTMEN

BOX 688

HOOKSETT, N. H.

To all residents of the Town of Hooksett:
Dear Folks:

Already you have noticed the new format of your town report and we hope you are pleased with it.

It has been the contention of this Board of Selectmen that better informed people make better citizens and if this be true, then it certainly follows that better citizens make a better and stronger Town and we believe that this is the aim of every single resident of Hooksett.

To this aim we have therefore changed the composition of this report. Here you will find pictures of your elected officers, interspersed with simply worded written reports of the various departments. You will also find the long columns of figures characteristic of past reports but they are printed in a more attractive style and therefore should be more easily understood.

We hope you are pleased with our efforts. In any event your comments will be appreciated.

Sincerely yours,

John W. Pike
Chairman
James W. Hollister

1958 - \$29.60

A REPORT TO THE CITIZENS AND TAXPAYERS
OF THE TOWN OF HOOKSETT

February 11, 1959

The Selectmen of Hooksett respectfully submit herewith, a report of their stewardship of the town's affairs for the fiscal year of 1958. We will endeavor in this report to briefly explain the accomplishments of 1958 and also to give you some insight of what may be expected in 1959.

Your Selectmen wish to take this opportunity to welcome to your town and our town, the many new comers who have arrived in 1958. It is our sincere wish and hope that you will join with us in striving to make the town of Hooksett a better place in which to live. The quality of this town or any town directly reflects the quality of the people by whom it is inhabited.

The tax climate in Hooksett continues to be favorable; according to recent surveys, which included the city of Concord, the towns of Pembroke, Allenstown, Bow and Hooksett, only one appeared to be in a better position than Hooksett, this being Allenstown, who has little or no school problem. The 1958 tax rate of \$29.60 per thousand, was \$.40 per thousand less than the previous year. This rate can be attributed to both residential and commercial growth. It is desirable that this growth may continue throughout 1959.

The Hooksett School District opened the doors, for the first time in the fall of 1958, of a new and modern ten-room school building. This school has been acclaimed by many people in the field of education as one of the finest in the State of New Hampshire. We mention this building in this report with the hope that it may be the first of a public building program that will encompass town offices and auditorium facilities. It is our wish and desire that such a program may soon become economically possible.

The activities of the Highway Department and the Sanitary Department, under the able direction of George Cook, are covered in this town report in a separate section. The highway program plans for 1959 are not as yet complete, but it is assured that work on North Reading Street will be completed in 1959 and that the Birch Hill Drive and Pinnacle Park section will be completed as soon as the developing agency has brought the streets to sub-grade. It is also planned to finish the culvert work on Smith and Alice Avenues.

BOARD OF SELECTMEN
JAMES FOLLANSBEE, LESLIE PIKE, OSCAR MORIN JR.

RENA WATSON
CLERK FOR BOARD OF SELECTMEN

Town Officers

It now appears probable that the selectmen have finally located another area to be used for a town dump and as soon as spring arrives we will proceed to develop this site if it meets with the approval of the State Board of Health and the Water Pollution Board.

The Parks and Playgrounds will be maintained as usual. One year ago this coming June, the town in conjunction with the School District and with the kind and able assistance of the Merrill-Follansbee Post, American Legion, began the construction of a baseball field located on the Village School grounds. By July, we had a very presentable playing surface. The American Legion Junior Baseball team used this diamond for practice and home games for the remainder of the summer. This spring the three above mentioned agencies plan to complete the project.

Mr. Robert Brown has continued with his excellent care of our cemeteries. New fences and fresh paint will be in evidence by the arrival of Memorial Day.

The selectmen are pleased to report that all articles included in the 1957 Warrant and voted upon in the affirmative have been implemented according to the provisions of the articles. It is of special interest to note that article nine relative to street lights has proven itself to be extremely successful in providing adequate street lighting especially in those areas where the need was the greatest.

In closing this written report, the Board of Selectmen wishes to thank Chiefs Boisvert and Lambert and the members of the Fire Departments, Chief Rice and members of the Police Department and Civil Defense Director Richard Hemeon, for the efficient and enthusiastic manner in which their duties were performed in 1958. We also wish to express our sincere thanks and appreciation to all other elected town officials, whose fine spirit of cooperation has helped to make 1958 a successful year for the Town of Hooksett.

May we remind the voters and taxpayers that Tuesday, March 10 is the date of the 1959 Town Meeting. The polls will open at 10 a.m. and will close at 6:30 p.m. The articles of the 1959 Town Warrant will be read at 7 p.m. Please be present at YOUR TOWN MEETING.

Sincerely,

LESLIE M. PIKE

Town Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hooksett in the (L.S.) County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Hooksett on Tuesday, the tenth (10th) day of March, next at ten of the clock in the forenoon, to cast your ballots for Town Officers. Polls close at 6:30 P. M., action on remainder of warrant starts at 7 P. M.

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to give a discount of two (2%) per cent on all taxes, paid on or before the fifteenth (15th) day of July, and to grant the Selectmen authority to extend this date if unable to get tax rate from State Tax Commission as of July 1st.
3. To see if the Town will authorize the Selectmen to hire money in anticipation of the 1958 taxes, to be repaid therefrom.
4. To hear the reports of the Selectmen, Town Treasurer, Agents, Auditors and Committees, or other officers heretofore chosen or appointed and to pass any vote relating thereto.
5. To see if the Town will vote to raise and appropriate the sum of \$100.00 to purchase advertising space in the 1960 guide of the Merrimack Valley Region, or act in relation there to.
6. Towns share - \$ 507.86
State share - 3,385.74
7. To see if the Town will vote to have the annual audit of the Town books conducted by the Division of Municipal Accounting, State Tax Commission starting with the 1959 audit.
8. To see if the Town will vote to appoint a building committee of 10 citizens - one member from the Board of Selectmen, School Board, Underhill P.T.A., Village P.T.A., plus four members appointed by the moderator. This committee to look into the building needs of the town, re. Town Hall, Town Offices, Library, Schools, etc., and to present a report to the Town Meeting of 1960.
9. To see if the Town will vote to raise and appropriate the sum of two hundred fifty (\$250.00) dollars for the use of the building committee for legal aid and expenses.

10. That all items purchased by the Town or any of the divisions, be put out for bid. This would include any item purchased by the gallon, per foot, or per piece. All items purchased be itemized in Town Report. (Inserted by petition)

11. To see if the Town of Hooksett will go back to partisan voting at town elections from now on. (Inserted by petition)

12. To see if the Town will vote to raise and appropriate the sum of five hundred and fifty (\$550.00) dollars for the purchase of chairs for the town hall. (Inserted by petition)

13. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to widen and improve the top of so called Pete Pratt or Gelinas Hill. (Inserted by petition)

14. To see if the Town will vote to establish a Capital Reserve Fund for the purpose of replacement of capital equipment, and appropriate the sum of one thousand (\$1,000.00) dollars for said Capital Reserve Fund in the year 1959 and each year thereafter until this article is rescinded or amended by vote of the town. The funds so appropriated are to be held by the trustees of Trust Funds and are to be expended only upon vote of the Town Meeting and only for the purpose designated in the vote authorizing said expenditure.

15. To see if the Town will vote to raise and appropriate the sum of six thousand (\$6,000.00) dollars to supplement the \$4,000.00 sum voted at the 1956 Town Meeting. This (\$10,000.00) ten thousand dollars being the total due the State Tax Commission for its reassessment. The total sum to be amortized over a five year period.

16. To see if the Town will vote to accept the budget in whole or in part.

Given under our hands and seal, this fourteenth day of February, in the year of our Lord nineteen hundred and fifty-nine.

BUDGET COMMITTEE

HOOKSETT BUDGET COMMITTEE REPORT

Dear Taxpayers:

The printed Budgets in the report, of the Town, School District and the two Water Precincts, represent a great amount of money as you know. This committee at its meetings has scrutinized these budgets and tried to cut them wherever possible. We believe that the budgets as printed are the minimum amounts needed if our Town is going to progress at a normal rate.

On January 16th the committee met at the Village School, with all town department heads, and discussed all items included in the budget. On January 30th members motored to the Underhill School where members of the School Board and Supt. of Schools Murray H. Watson, presented the school budget and explained various aspects to the satisfaction of the members of the committee.

On February 13th an open budget meeting was held at the Town Hall and numerous tax payers voiced their opinions on the various items. After the open meeting a closed meeting was held and the following articles were approved:

For the Town warrant: Art. 5, 6, 7, 8, 12, 14, and article 13 was disapproved.

For the School warrant: Art. 9, 10, 11.

We wish to thank all Town Officials for their time and consideration given us in the preparation of these budgets.

Respectfully submitted,
Hooksett Budget Committee.

SOUTH HOOKSETT FIRE DEPARTMENT

In addition to the statistics listed below, the department required a total of 396 man hours in answering alarms and extinguishing fires. During the year, a rebuilt 500 GPM pump was installed on Engine #2 at a cost of \$700.00. Engine #1 was equipped with liquid foam equipment, very necessary in extinguishing gasoline and oil fires. A complete painting of the interior of the station was accomplished.

YOU CAN HELP PREVENT FOREST FIRES

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning - brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200) two-hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc., cut on your property. Eliminate the hazard of burning yourself. It will be easier for you personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden - the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty.

Use your town dump.

Number of local fires 12

Number of acres burned 13 7/8

Number of permits issued 131

LIBRARIAN - EVELYN HOWE

LIBRARIAN'S REPORT

We have had a circulation of 2308 books during the past year, an increase of 808 over the previous year. We have added 135 books, including a new Atlas and a new dictionary, and the 1959 Almanac of Facts. Among the newest books is one titled "The Merrimack" which is a complete history of the Merrimack River and is recommended reading for all in Town. Also "Moonlight at Middy" a factual story of our newest State, Alaska. 53 of the books added were gifts. Copies of Life and Newsweek are available as well as books from the Bookmobile, a mobile Unit of the New Hampshire State Library.

This year we hope to further increase both patronage and circulation which is steadily growing.

The Library, which is located beside the Town Hall is open on Saturday afternoons from 12 to 4. We invite your patronage.

EVELYN L. HOWE,
Librarian

RICHARD HEMEON
DIRECTOR OF CIVIL DEFENSE

HOOKSETT CIVIL DEFENSE

It is indeed a great pleasure for me to submit my second report on Civil Defense for the town of Hooksett.

In the past year we have purchased items from the Government Surplus Supply which is available to eligible Civil Defense Units. Some of the items to mention are, wool blankets, 6-volt electric lanterns, Coleman kerosene lanterns, compasses, axes, crosscut saws, a kitchen field range complete with utensils. Also we purchased a flat bottom rescue type Arkansas Traveler boat for rescue work in case of drownings or in a flooded area. The Hooksett Village Fire Dept. paid half of the cost of the boat as this was a new piece of equipment. The Hooksett Police Dept. and the South Hooksett Fire Dept. purchased a 7 1/2 H.P. Evinrude motor to be used on this boat as we were in great need of a boat in the town of Hooksett.

In Civil Defense we have gone a long ways in our efforts to give the people in the town of Hooksett the greatest protection in property and to save lives in case disaster should strike. We had one National Alert this year and two State Alerts.

As of this year we will put into effect the new State of New Hampshire Survival Plan. This means there will be some changes in our roster at the present time. Under this plan, one of the changes will eliminate the Civil Defense Auxiliary firemen. Under our new system the Fire Chief, the Deputy Chief and one assistant will be in charge of all fires that arise and will make their report to Civil Defense as deemed necessary. Should these fires be of the disastrous type, they will come under the jurisdiction of Civil Defense.

Also we had one Hurricane Alert this past year but we were spared this severe storm with winds up to 125 miles per hour as it finally turned and went out to sea and passed the New England coast about 120 miles out to sea on its northeast course.

This year we have nine local meetings scheduled and three State meetings scheduled to keep the members of Civil Defense more self confidence of their duty and to have a Civil Defense Unit that is the most active and most efficient Civil Defense Unit in the State of New Hampshire.

Once again I would like to extend my sincere thanks to the Civil Defense Unit members for volunteering their services to this worthy cause. Also to our Fire Depts., Police Dept., Health Dept. and the Selectmen of Hooksett.

Respectfully Submitted,

RICHARD H. HEMEON
Local Director of Civil Defense

In answer to many requests, we are listing our Civil Defense Alert Signals.

1. Yellow Alert - This is a warning alert. The fire sirens will blow a steady blowing of the sirens for one minute, pause 30 seconds, repeated three times.

2. Red Alert - The blowing of the sirens for a full 3 minutes or longer till we are sure that everyone has been warned of a Red Alert, which means to take cover till they hear the all clear signal.

3. White Alert - The White Alert is the all clear alert and is a steady blowing of the fire sirens for one minute, pause 30 seconds repeated twice.

These alerts are also used in our practice alerts to familiarize you with our Civil Defense Alert Signals.

For any information you may request, you may call your Director of Civil Defense under Hunter 5-3631 and I will be glad to talk to you and explain Civil Defense in any way you do not understand it.

Respectfully Submitted,

RICHARD H. HEMEON
Local Director of Civil Defense

AUDITOR'S REPORT

We hereby certify that we have examined the accounts of the Selectmen, Town Clerk, Tax Collector, Treasurer, Mrs. Squire, Library Trustees, Trustees of Trust Funds, Police, Justice of the Municipal Court, Road Agent, Health Officer and Overseer of Public Welfare, for the year 1958 and find them correct for the most part. Errors in entries, additions and payments to the Treasurer in the accounts of the Town Clerk and Tax Collector will be rectified.

RACHEL A. LAFLEUR,
Auditors.

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

November 28, 1958

Board of Selectmen
Hooksett, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Hooksett which was made by this Division, acting under authority of Chapter 71, Section 27, of the Revised Statutes Annotated, which provides in part as follows:

"Audit on Motion of Commission. The (Tax) Commission may cause an audit to be made of the accounts of any city, town, school district, village district or precinct, as often as once in two years, or whenever conditions appear to it to warrant such audit."

This audit covered the fiscal year ended December 31, 1957, and the period from January 1st to November 13th, 1958. Exhibits as hereafter listed are included as part of the report. Also included is a Statistical Table presenting a Ten Year Statement of Indebtedness, Valuation and Taxes.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Library and Municipal Court.

FINANCIAL STATEMENTS

Comparative Balance Sheets - December 31, 1956 - December 31, 1957: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1956 and December 31, 1957, are presented in Exhibit A-1. As indicated therein the financial condition of the Town changed from a Net Debt of \$3,415.70 to a Surplus of \$1,229.56 during the year 1957.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt (Increase in Surplus)

Net Budget Surplus	\$3,974.41	
Long Term Notes Paid	<u>6,207.00</u>	
		\$10,181.41

Increase in Net Debt (Decrease in Surplus)

Long Term Notes Issued	\$5,000.00	
Decrease in Accounts Receivable	<u>536.15</u>	
		<u>5,536.15</u>

Change in Financial Condition \$ 4,645.26

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1957, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$3,181.39, plus a net unexpended balance of appropriations of \$793.02, resulted in a net budget surplus of \$3,974.41.

Summary of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1957, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1.

Statement of Long Term Indebtedness: (Exhibit F)

A statement of long term indebtedness, as of December 31, 1957, showing annual debt service requirements, is contained in Exhibit F.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

GENERAL COMMENTS

Indebtedness, Valuation and Taxes:

Table I presents a ten year statement of Indebtedness, Valuation and Taxes. It will be noted that during the period from December 31, 1947 to December 31, 1957, the financial condition of the Town changed from a Net Debt of \$10,585.83 to a Surplus of \$1,229.56.

During the same period the assessed valuation of taxable property increased from \$1,975,045.00 to \$8,424,132.00, or 327%. The amount of the annual tax levy increased from \$71,496.29 to \$268,137.35, or 275%.

The average local tax rate decreased from \$3.62 to \$3.18 per hundred, compared to the average tax rate for the State which increased from \$3.71 to \$4.96 during this period.

Shortage in Town Treasurer's Accounts: Exhibits H-1 & H-2)

(SELECTMEN'S NOTE: ALL SHORTAGES THAT EXISTED HAVE BEEN FULLY REPAID AS OF THE PUBLICATION OF THIS REPORT).

As of the date of our audit, November 13th, 1958, a shortage in the amount of \$8,007.17 was found to exist in the Town Treasurer's accounts. This is indicated in Exhibits H-1 and H-2 of this report.

Exhibit H-1 shows the Treasurer's Cash Book balance on November 13th, 1958, in the amount of \$20,474.78, whereas the Reconciled Balance on this date amounted to \$12,467.61; indicating a shortage in the amount of the difference between the Cash Book balance and the Reconciled Balance.

Exhibit H-2 shows the Treasurer's recorded receipts and bank deposits by months during the period from January to November 1958. Also shown therein is the monthly shortage and accumulated shortage during this period.

The Treasurer resigned his office effective as of November 13th 1958.

Changes in Balance Sheet:

As a result of the changes which were made in the Balance Sheet of December 31, 1957, which was included in the Financial Report filed with this office and the Printed Annual Report, the actual Surplus on that date was \$1,229.56 rather than \$36,449.67 as originally reported. These changes are reflected in the Balance Sheet presented in Exhibit A-1.

Appropriations for Principal of Debt:

Appropriations for payments on the principal of outstanding long term notes should all be included in the appropriation account "Principal of Debt", rather than in the appropriations for the individual departments (i. e. - fire, highway, etc.) on account of which the notes were issued.

Trust Fund Income:

Trust fund income which is earmarked for a specific purpose (cemeteries, library, etc.), the expenditure of which is in addition to the amount appropriated for such purpose, should be credited to the appropriation account rather than included as estimated revenue in the budget.

Discounts and Abatements:

It is not necessary to issue a Town order and check to the Tax Collector for discounts and abatements allowed. When the Collector's accounts are closed and balanced at the end of the fiscal year, the authorized amounts of discounts and abatements may be credited to the proper tax warrant or tax sale accounts. Detailed abatement lists, approved by the Board of Selectmen, should support the amount of abatements for which the Collector takes credit.

Tax Sale:

All delinquent taxes on real estate should be included in the Collector's tax sale. In cases where the delinquent real estate taxpayer also owes personal property taxes, head and poll taxes, the amount of such taxes should be included in the amount for which the real estate is sold.

Precinct Taxes:

All collections on account of Precinct Taxes may be recorded under the heading of "Property Taxes" in the Collector's Cash Book and remitted to the Treasurer in the same manner. It is not necessary to keep a separate Cash Book record and to remit separately collections of Precinct Taxes. The Town is liable to each Precinct for the total amount of the Precinct appropriation regardless of whether or not all Precinct taxes have been collected.

Town Treasurer's Bond:

The surety bond of the Town Treasurer should be written in an amount at least equal to the bond of the Tax Collector, in order that the Treasurer's bond may be commensurate with the amount of funds in the custody of this official.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955 require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Hooksett for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler, Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Norval D. Lessels, Auditor
O. Maurice Oleson, Accountant

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Hooksett for the fiscal year ended December 31, 1957 and the period from January 1st to November 13th, 1958. In our opinion, the Exhibits included herewith reflect the true financial condition of the Town on December 31, 1957, and the results of operations for the periods under review.

Respectfully submitted,

Harold G. Fowler, Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Norval D. Lessels, Auditor
O. Maurice Oleson, Accountant

TAX ABATEMENTS GRANTED BY STATE TAX COMMISSION

The Board of Selectmen received 75 requests for tax abatements on the 1957 tax bills. After a thorough re-examination by the State Tax Commission (the three member commission itself not its appraisers) the following abatements were granted.

Name	1957 Tax Value	Adjusted Value	1958 Value		
Bullard, Albert E. & Juliette S.	\$ 7,720.00	\$ 7,070.00	\$.00	Total 1957 Tax Value	\$963,460.00

REPORT OF WATER COMMISSIONERS

During 1958 the system was expanded to include the Pinnacle Park Housing Project. This extension consisted of 1300 feet of 6" main and 700 feet of 2" cement lined main. To date there have been a total of 20 new services installed on this project. In addition, two other new services were installed on the existing mains.

As was pointed out in last year's report, the electric pump, originally a 150 gpm capacity pump, had deteriorated to the point where it would only deliver 80 to 85 gpm which was not sufficient to keep up with the demand for water during the summer months. This pump has now been replaced with a new pump with a 300 gpm capacity. In addition, the standpipe received a long over-due cleaning, the entire structure being sand blasted and given two coats of paint, inside and out.

During the coming year the Board expects to have the intake screen at Pinnacle Pond cleaned and to replace the wooden guard posts at the pumping station with cement posts.

REPORT OF WATER COMMISSIONERS

With comparatively little maintenance trouble to the plant of the Central Hooksett Water Precinct, the Commissioners are pleased to announce that we have added new subscribers to the system.

We were able to decrease the 1958 precinct tax because of an increase in the assessed valuation of the precinct plus a reduction of the precinct's budget.

SCHOOL DISTRICT WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Hooksett,
N. H. qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said dis-
trict on the seventh day of March 1959, at two (2) o'clock in the
afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the District will vote to raise the salary of the School Board members by the sum of \$50.00 per year, and appropriate the necessary funds for the same in the amount of \$150.00.

10. To see if the District will vote to continue a capital reserve fund for the purpose of replacement of capital equipment; and appropriate the sum of one thousand (\$1,000.00) dollars for said Capital Reserve Fund in the year 1959 and each year thereafter until this article is rescinded or amended by vote of the District. The funds so appropriated are to be held by the Trustees of Trust Funds and only for the purpose designated in the vote authorizing said expenditure.

11. To see if the District will vote to have the School Books audited by the State Auditors instead of our local auditors, at a cost to the District of \$150.00 and appropriate the same.

12. To see if the District will authorize the School Board to dispose of the Martins Connor School and to determine the method of disposal thereof.

13. To see if the District will authorize the School Board to dispose of the Lincoln Park School and to determine the method of disposal thereof.

14. To see if the District will authorize the School Board to deposit proceeds of the above sales in a special account to be used in part payment for the construction of an auditorium at the Fred C. Underhill School, said construction to take place at a time voted upon by the district.

OR

To see if the District will vote to add the proceeds of the sale of the School buildings specified in articles #12 and #13, after deducting the expense of the sales, to the districts presently es-

established Capital Reserve Funds and to authorize the School Board to pay into it said money so received.

15. To the Hooksett School Board:

We, the Undersigned, being taxpayers in the town of Hooksett, N. H. do hereby offer the following petition, dated January 24, 1959; to be included in the 1959 School Warrant for Hooksett, N.H.

"Resolved that in view of the urgent need for indoor recreational facilities for the children attending the Village School in the town of Hooksett, that the Hooksett School Board consider these needs in any expenditures contemplated in 1959 for school facility expansion. (Submitted by petition)

16. A resolution passed by the Hooksett Village Parent Teacher Association requesting the formation of a committee to study the future plans and needs of the Hooksett Village School. A committee of four. (Submitted by petition)

17. To see if the District will authorize the School Board to accept any or all Federal Funds for the aid of education, or School Construction within the District, should any be forthcoming.

Given under our hands at said Hooksett this seventh day of March 1959.

HELEN M. COURSER,
District Treasurer.

REPORT OF AUDITORS
OF THE HOOKSETT SCHOOL DISTRICT

We have examined the books, vouchers, bank statements and other accounts of the Treasurer and Clerk of the School District of Hooksett of which the above is a true statement for the fiscal year ending June 30, 1958.

We have also checked the books and accounts of the three School Lunch Supervisors and found that their accounts were well kept and all cash handled by them was properly accounted for.

July 17, 1958

RENA B. WATSON
RACHEL A. LAFLEUR
Auditors.

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

February 1, 1959

To the School Board of Hooksett, New Hampshire:

In submitting my twelfth annual report of the schools of Hooksett, may I thank you for your patience and indulgence in a year which has seen many problems and many successes.

In September 1959 the school board, in conjunction with the advisory committee, placed at the disposal of the parents and children of the town a most modern school building. It took many hours of individual and group planning, but the result has been justified. Through the generosity of Mr. Fred C. Underhill this was possible and the citizens of the town surely appreciate his thoughtfulness and kindness. At the dedication exercises in November 1958 a grateful people expressed its appreciation by honoring this gentleman and at the same time endorsed the entire building program.

When school opened in September there were two rooms not in use, but before two months had passed this number had been reduced to one. Estimates show quite conclusively that in September 1959 every room in the building will be occupied. According to actual figures there will be over 260 pupils at the Underhill School and over 230 pupils at the Village School. We are fortunate in having two available rooms at the moment at the Village School, but the census shows that these rooms will be used in the very near future.

The School Board has spent many hours of planning for the landscaping of the grounds at both schools and have tried to make provisions for this development in the budget for next year.

The school warrant a year ago embraced an article for the disposal of the Lincoln Park School and the Martins Corner School. It was not to be. However, the longer these buildings are left idle, the greater the cost of maintenance. The district has to maintain a high insurance and upkeep protection on the one side and sustain the loss of available funds if sold on the other which could be used to reduce costs. The longer these buildings are not in use the greater the depreciation and the greater the loss.

A new school-owned bus was purchased by the district. This has and will continue to prove a smart move, not only in the reduced cost of transportation, but also in the availability of the vehicle for all educational activities. More and more districts are availing themselves of this situation. And as you know, during the summer months this vehicle is not in use which reduces the maintenance cost.

Probably the factor about which the citizens are most concerned in connection with the educational development of the town is the budget.

There are many angles involved here over which the school board or any official of the town has very little or no control. When a political sub-division of the state sets up a school district it is required by law to follow certain procedures. This means, in the final analysis, that when a school district is organized, certain laws require certain courses to follow. In order to carry out these laws a budget must be set up to administer the schools.

The larger a town grows in population the greater the number of children who must be educated. And this involves the need for teachers, transportation, retirement, tuition, equipment, light and heat, water, maintenance, books and supplies, school lunch, and the debt.

Of these factors, the most potent and most vital as well as controversial, are teachers' salaries and high school tuition. These two items alone make up nearly 80% of present-day school budgets. Twelve years ago the District of Hooksett hired 10 teachers and had three school buildings. Next year this district will have two modern school buildings and 20 teachers. The responsibility for this growth rests on the shoulders of the men and women of the town itself. No one desires to live in a town where a child is unable to go to school whether elementary or high school. And the crowning feature of this situation is the fact that in going to high school the law specifies that the child may make his own choice, and the district must pay the tuition cost.

Teachers' Salaries have been increased very rapidly during the past ten years, not because of the teachers themselves, but because living costs and educational costs have increased to a very marked degree. These salary increases are reflected in the cost of the tuition. Why must the town of Hooksett, or any other, for that matter, pay Manchester over \$400 in tuition per pupil per year? The reasons are obvious. It is because of the increased

costs in the schools of the City of Manchester - teachers' salaries, equipment, building programs, books and supplies, the revision of the curricula to meet modern life and living.

In looking to the future, please keep in mind the fact that growth in enrollments will be steady and continuous necessitating a revision of your building program very soon; national trends in science, mathematics, and foreign languages will take more and more economical and financial vision; boys and girls will be demanding greater participation in the better things in life - music, art, crafts, and literature; television and radio will be competing more and more in the lives of future citizens of the town; more intensive individualized instruction especially for the gifted child, will be ever present in the building of future budgets; and the requirements of more and more parents to expand the educational development of their children through the medium of high school and college.

It has been my experience in the last ten years to meet many school board members, but there were very few exceptions in the town of Hooksett that were antagonistic toward the education of its children. Every member who ever served has become on the whole, more understanding of what the educational problems are and what education is trying to do. Let us hope that this continues.

If has been a privilege to have been associated with the various members of the Board, the building Committee, Mr. Underhill, and all those men, women, and children who have given of their time, energy, and funds to the development of a new era in the education of the children in the Town of Hooksett.

Respectfully submitted,

MURRAY H. WATSON,
Superintendent of Schools
